Once Again

Summary

Dracula wants to savor Gabriel...

Notes

Lowkey, never really thought about them as a ship, but that's how I am. I don't see it until way later. Lol. And I love the movie. ♡

Enjoy~

Oh, to have what's mine return to me.

Destructive and dangerous, beautiful and refined.

Vlad wanted Gabriel again, to press their lips together. To feel his heat mingle with Vlad's cold touch.

"I'll take my time with you, Gabriel," Vlad promised, watching the way his old lover, memory tarnished, glared at him and the implication.

He'd dance with him, seeking out the smile and laughter that Vlad knew so intimately when he had been alive.

"Over four hundred years of lost time," Vlad says, "and you point a gun at me? Maybe things aren't so different."

Gabriel is struck with confusion, hesitating, and this allows a smile to curve on Vlad's face.

Yes, he'll take his time, he'll see what is under all those layers once again.
